

Excalidraw Scenes

Render `excalidraw` fenced blocks as interactive diagrams. The scene deserializes the Excalidraw JSON and shows it in the read view, with a full editor in a modal when you hover and click **Edit**.

Hello Excalidraw

PDF Export

Export this chapter as a PDF (toolbar → PDF icon). The Excalidraw scenes are converted to inline SVG before the headless Chrome render, so the PDF preserves the visuals.
